

Deck Design Form

To get a head start and aid us in processing your design in a timely fashion, please complete the following questionnaire. Upon completion and return of this form, a *MOYER* salesperson will design your desired deck as close as the software will allow. We do require a \$30.00 deposit in order to start your design. The deposit will be applied in full toward the purchase of your deck materials. With your deposit, you will receive the deck picture and a price estimate. More detailed print-outs will be issued at time of purchase. 4 or more designs are charged an additional \$10 each and are not part of the refundable amount at time of deck purchase.
